2. Best Practice No 02.

Title of the Practice :Green Campus Green Earth

The motto : Green Campus for a Green Earth

The context : It is said that if you want to change the world practise should be started from home. Depletion of forest in the name of development is of major threath for the environment of the earth. So a little contribution for a better earth has been initiated from our institution by making the campus Green

Evidence of success : As a result of the Process 40% of the campus has been filled with grannery
